A TOOL TO ANSWER RESEARCHERS QUESTIONS FASTER

LIBRARIES SUPPORTING RESEARCHERS
Building with Libraries

What do you need?
Lisa L/Anders H/ Maria A.

How should it look?
Polled researchers: Norway/Sweden/US
Q: What information is important for you?

Upgrades for all: Stats/Support

How do you have the best experience?
Bibsam: Daniel A+ Lisa L
What do you need?
02 How should it look?

User Experience (What to show)

When we asked them to indicate the most important feature of the search function (Very/Somewhat/Slightly/Not important), it is the Journal Name Access tool with keywords. Among the researchers, those who do not know what to search concluded that keywords would be a priority. However, it was shown to be their least important concept.
